## Subject

---

Adopt the Twenty-Sixth Supplemental Resolution to the Master Bond Resolution authorizing the issuance of up to \$425 million of Water Revenue and Refunding Bonds, 2024 Series; providing the terms and conditions for the sale and issuance of the Bonds; and approve expenditures to fund the costs of issuance of the Bonds; the General Manager has determined that the proposed action is exempt or otherwise not subject to CEQA

## Executive Summary

---

The Twenty-Sixth Supplemental Resolution to the Master Bond Resolution (the Twenty-Sixth Supplemental Resolution) in **Attachment 1** would authorize the issuance of up to \$425 million of Water Revenue and Refunding Bonds. Bond proceeds would fund a portion of projected FYs 2025 and 2026 Capital Investment Plan (CIP) expenditures, reimburse a portion of capital expenditures made during FY 2024, and all or a portion of the costs of issuance.

## Proposed Action(s)/Recommendation(s) and Options

---

### Staff Recommendation: Option #1

#### Option #1

- Adopt the Twenty-Sixth Supplemental Resolution to the Master Bond Resolution authorizing the issuance of up to \$425 million of Water Revenue and Refunding Bonds, 2024 Series, and providing the terms and conditions for the sale and issuance of the Bonds; and
- Approve approximately \$1.2 million for the payment of the costs of issuance of the Water Revenue Bonds to be paid from bond proceeds or Metropolitan funds.

**Fiscal Impact:** Estimated increase in debt service payments of approximately \$20 million per year for the issuance of \$361 million of Water Revenue Bonds will be paid from net operating revenues.

**Business Analysis:** Approval would enable Metropolitan to access the capital markets to provide funding for ongoing capital expenditures in accordance with the Adopted Budget for Fiscal Years 2024/25 and 2025/26.

#### Option #2

Do not adopt the Twenty-Sixth Supplemental Resolution to the Master Bond Resolution.

**Fiscal Impact:** May miss the opportunity to fund capital expenditures at favorable interest rate levels, thereby resulting in higher debt service costs and/or higher water rates.

**Business Analysis:** Capital market access would be delayed, thereby limiting Metropolitan's options or ability to fund ongoing capital expenditures, or Metropolitan may have to curtail funding capital projects. Inflation could further increase the estimated cost of CIP projects if delayed.

## **Details and Background**

---

### **Background**

On September 15, 2020, Metropolitan's Board adopted Ordinance No. 151, which determined that the interests of Metropolitan require the use of revenue bonds up to an aggregate amount of \$500 million to fund a portion of capital expenditures. On July 11, 2023, Metropolitan's Board adopted Ordinance No. 152, which similarly authorized the use of revenue bonds up to an aggregate amount of \$500 million to fund a portion of capital expenditures. There remains \$62,055,000 under Ordinance No. 151 and all of the \$500,000,000 authorized under Ordinance 152. The Twenty-Sixth Supplemental Resolution would authorize the issuance of up to \$425 million in bonds from the remaining \$562 million authorization under Ordinances No. 151 and No. 152.

If authorized, the bonds are expected to be issued in one or more series on a taxable or tax-exempt basis for federal income tax purposes. Annual debt service on \$361 million of bonds is estimated to be approximately \$20 million per year. The costs of issuance, estimated to be \$1.2 million, would be funded from bond proceeds or Metropolitan funds.

The proceeds from the sale of bonds under the Twenty-Sixth Supplemental Resolution would be used to pay for capital expenditures, primarily for Fiscal Years 2024/25 and 2025/26. The Biennial Budget for Fiscal Years 2024/25 and 2025/26, adopted by the Board on April 9, 2024, includes funding of \$626 million for CIP expenditures and \$98 million for Metropolitan’s conservation program over the biennium period. A portion of the CIP expenditures are expected to be funded from operating revenues in the amount of \$175 million in FY 2024/25 and \$175 million in FY 2025/26. The remaining \$286 million of CIP expenditures are anticipated to be funded with the issuance of new revenue bonds. A portion of the conservation program expenditures are expected to be funded from operating revenues in the amount of \$25 million in FY 2024/25 and \$25 million in FY 2025/26. The remaining \$48 million of conservation expenditures are anticipated to be funded with the issuance of new revenue bonds. Under current market conditions, issuance of \$362.6 million in par would provide approximately \$393.3 million in total proceeds (including premium) necessary to fund the CIP and conservation program requirements in the Adopted Budget for the current biennium and refinance several outstanding short-term note obligations that were issued as part of an interim funding plan of expenditures in the prior biennium budget period.

Consistent with past board practice, the Twenty-Sixth Supplemental Resolution establishes an Ad Hoc Committee of the Board with authority to determine the aggregate principal amount and the terms and conditions of each sale of bonds. The Ad Hoc Committee consists of the Chair of the Board, the Chair of the Finance and Asset Management Committee, and the General Manager.

The Bonds may be issued in one or more Series at one time or from time to time in accordance with the terms hereof, and each Series of Bonds shall bear such additional designation as may be ascribed thereto in the Sales Documents for such Series. (C) Payment of Interest. Each Bond shall bear or accrete interest until the principal or Final Compounded Amount thereof has been paid; provided, however, that if at the maturity date of any Bond or if on the redemption date thereof if the same has been fully called for redemption, in each case, funds are available for the payment thereof in full in accordance with the terms of Article IX of the Master Resolution, such Bond shall then cease to bear or accrete interest.

SECTION 2.04 Place of Payment. Subject to Section 2.08 hereof, for so long as the Treasurer is the Fiscal Agent, the principal or Final Compounded Amount of the Bonds shall be payable in lawful money of the United States of America upon presentation and surrender of such Fixed Rate Bonds at the corporate office of the District. Interest on the Current Interest Bonds shall be paid by check or draft mailed by first class mail to the persons whose names appear on the

registration books of the Fiscal Agent as the registered Owners of such Current Interest Bonds as of the close of business on the Record Date at such persons' addresses as they appear on such registration books, except that an Owner of \$1,000,000 or more in principal amount of Fixed Rate Bonds which are Current Interest Bonds may be paid interest by wire transfer to an account in the United States if such Owner makes a written request of the Fiscal Agent at least thirty (30) days preceding any interest payment date specifying the wire transfer instructions for such Owner. Such notice may provide that it will remain in effect for later interest payments until changed or revoked by another written notice. Payments of default interest shall be paid by check, draft or wire transfer to the Owners as of a special record date to be fixed by the Fiscal Agent, notice of which special record date shall be given to the Owners by the Fiscal Agent not less than ten (10) days prior thereto. Principal of and interest on the Variable Rate Bonds shall be payable as provided in the applicable Trust Agreement.

(A) Optional Redemption. The Fixed Rate Bonds of any Series shall be subject to call and redemption prior to maturity, at the option of the District, in the amounts, at the redemption prices and on the dates set forth in the Sales Documents with respect to such Series. The Variable Rate Bonds of any Series shall be subject to call or redemption as provided in the Trust Agreement with respect to such Series.

(B) Mandatory Sinking Account Payments. The Term Bonds of any Series, if any, shall be called before maturity and redeemed at a redemption price equal to the par amount thereof from Mandatory Sinking Account Payments with respect to such Series which have been deposited in the Bond Service Fund, in the amounts and upon the dates established for each such maturity, as set forth in the Sales Documents or Trust Agreement, as the case may be, with respect to such Series.

(C) Disposition of Redemption Rights. The Sales Documents applicable to a Series of Bonds may contain provisions with respect to the sale or disposition of the right of the District to redeem any Bonds of such Series.

(D) Conditional Notice of Redemption. In addition to the notice requirements for redemption included in the Master Resolution, each such notice may also state that the proposed redemption is conditioned on there being on deposit in the applicable fund or account on the Redemption Date sufficient money to pay the full Redemption Price of the Bonds to be redeemed. Upon deposit of sufficient money to pay the full Redemption Price and provision of irrevocable instructions to the Fiscal Agent or Paying Agent to apply such money to the payment of the Redemption Price and interest with respect to the Bonds to be redeemed, all liability of the District in respect of such Bonds shall be discharged as provided in Section 9.02 of the Master Resolution.

SECTION 2.06 Form of Bonds. Except as otherwise provided in the applicable Sales Documents, the Current Interest Bonds and Capital Appreciation Bonds of each Series that are Fixed Rate Bonds shall be issued in substantially the form set forth in Exhibit A1 and Exhibit A2, respectively, which exhibits are incorporated herein by this reference as if set forth in full. The Variable Rate Bonds of each Series shall be issued in substantially the form set forth in the Trust Agreement relating to such Series of Bonds.

SECTION 2.07 CUSIP Identification Numbers. CUSIP identification numbers shall be ordered by the Underwriters and caused by the District to be printed on the Bonds, but such numbers shall not be deemed a part of the Bonds or a part of the contract evidenced thereby and no liability shall attach to the District or its officers, employees or agents because of or on account of such CUSIP identification numbers.

SECTION 2.08 Book-Entry System. Except as otherwise provided in the Trust Agreement with respect to Variable Rate Bonds of any Series, the Bonds shall be initially issued in the form of a single (unless more than a single Bond is required by the Securities Depository), separate, fully registered Bond (which may be typewritten) for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register of the Fiscal Agent in the name of the Nominee of the Securities Depository. Except as provided in Section 2.10 hereof, the ownership of each Outstanding Bond shall be registered in the Bond Register of the Fiscal Agent in the name of the Nominee.

With respect to the Bonds registered in the Bond Register of the Fiscal Agent in the name of the Nominee, the District and the Fiscal Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Fiscal Agent shall have no responsibility or obligation (unless the Fiscal Agent is at such time the Securities Depository) with respect to (i) the accuracy of the records of the Securities Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register of the Fiscal Agent, of any notice with respect to the Bonds, or (iii) the payment to any Participant or any other person, other than an Owner as shown in the Bond Register of the Fiscal Agent, of any amount with respect to principal of or interest and premium, if any, on the Bonds. The District and the Fiscal Agent may treat and consider the person in whose name each Bond is registered in the Bond Register of the Fiscal Agent as the holder and absolute Owner of such Bond for the purpose of payment of principal or Final Compounded Amount of, and interest on, such Bond, for the purpose of giving notices and other matters with respect to such Bond, and for all other purposes whatsoever.

The Fiscal Agent shall pay all principal and Accreted Value of and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Bond Register of the Fiscal Agent, or their respective attorneys, duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations hereunder with respect to the payment of principal and Final Compounded Amount of, and interest on, the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register of the Fiscal Agent, shall receive a Bond evidencing the obligation to make payments of principal, Final Compounded Amount and interest and premium, if any, pursuant to this Twenty-Sixth Supplemental Resolution. Upon delivery by the Securities Depository to the Fiscal Agent and the District of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to record dates, the word Nominee in this Twenty-Sixth Supplemental Resolution shall refer to such new nominee of the Securities Depository.

SECTION 2.09 Representation Letter. To qualify the Bonds for the Securities Depository's book-entry system, the Authorized Representative is hereby authorized to execute

and deliver on behalf of the District to such Securities Depository a letter, if necessary, from the District representing such matters as shall be necessary to so qualify the Bonds (the "Representation Letter"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.08 hereof or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners, as shown on the Bond Register of the Fiscal Agent. In the Representation Letter, the Fiscal Agent shall agree to take all actions necessary to comply with all representations of the District in the Representation Letter. In addition to the execution and delivery of the Representation Letter, each Authorized Representative of the District is hereby authorized to take any other actions, not inconsistent with this Twenty-Sixth Supplemental Resolution, to qualify the Bonds for the Securities Depository's book-entry program.

SECTION 2.10 Transfers Outside Book-Entry System. In the event (i) the Securities Depository determines not to continue to act as securities depository for the Bonds, or (ii) the District determines that the Securities Depository shall, subject to the provisions of the applicable Trust Agreement with respect to Variable Rate Bonds of such Series, no longer so act and delivers a written certificate to the Fiscal Agent to that effect, then the District will discontinue the book-entry system with the Securities Depository. Subject to the provisions of the applicable Trust Agreement with respect to Variable Rate Bonds of any Series, if the District determines to replace the Securities Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new, single, separate, fully registered Bond for each of the maturities of the Bonds, registered in the name of such successor or substitute qualified securities depository or its nominee, or make such other arrangement acceptable to the District and the Securities Depository as are not inconsistent with the terms of this Twenty-Sixth Supplemental Resolution. If the District fails to identify another qualified securities depository to replace the Securities Depository, then the Bonds shall no longer be restricted to being registered in the Bond Register of the Fiscal Agent in the name of the Nominee, but shall be registered in whatever name or names the Participants transferring or exchanging Bonds shall designate, in accordance with the provisions of Article II of the Master Resolution and, with respect to the Variable Rate Bonds, the provisions of the applicable Trust Agreement.

SECTION 2.11 Payments and Notices to the Nominee. Notwithstanding any other provision of this Twenty-Sixth Supplemental Resolution or the Master Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal and Final Compounded Amount of, and interest and premium, if any, on, such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Securities Depository.

SECTION 2.12 Initial Depository and Nominee. The initial Securities Depository under this Twenty-Sixth Supplemental Resolution shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

## ARTICLE III

## APPLICATION OF BOND PROCEEDS; ESTABLISHMENT OF FUNDS; COVENANTS

SECTION 3.01 Application of Proceeds of Bonds. The proceeds of the sale of a Series of Bonds and such other moneys as are available and necessary to accomplish the purposes of this Twenty-Sixth Supplemental Resolution from time to time shall be deposited with the Treasurer and shall be held in trust and, unless otherwise specified in a Certificate of an Authorized Representative, shall be set aside by the Treasurer as follows:

(a) The Treasurer shall deposit in the Bond Service Fund the amount of such proceeds representing interest accrued, if any, on such Series of Bonds to the date of delivery thereof.

(b) The Treasurer shall deposit in the applicable Reserve Fund, if any, for each Series of Bonds an amount equal to the Bond Reserve Requirement for each such Series of Bonds or provide for a Reserve Fund Credit Policy to satisfy the Bond Reserve Requirement for each such Series of Bonds.

(c) The Treasurer shall deposit in the Costs of Issuance Fund for the applicable Series of Bonds the amount of such proceeds necessary to pay all Costs of Issuance that are not to be paid from other sources.

(d) To the extent all or a portion of a Series of Bonds is issued to refund or prepay outstanding Parity Obligations, the Treasurer shall cause the proceeds of a Series of Bonds issued for such purpose to be applied to the refunding or prepayment of such outstanding Parity Obligations.

(e) The remaining proceeds shall be deposited in the Construction Fund for the applicable Series of Bonds.

SECTION 3.02 Establishment and Application of Costs of Issuance Funds.

(A) The District shall establish, and the Treasurer shall maintain and hold in trust one or more separate funds which shall be designated as the “Water Revenue and Refunding Bonds 2024 Series \_\_\_\_\_ Costs of Issuance Fund” (inserting the designation for each Series or multiple Series of Bonds, as applicable), and shall bear such additional designation as shall be determined by an Authorized Representative. The moneys in each such Costs of Issuance Fund shall be used and withdrawn by the Treasurer to pay Costs of Issuance incurred in connection with the issuance of the applicable Series of Bonds. The Treasurer shall hold moneys in each such Costs of Issuance Fund uninvested until expended unless directed otherwise by a Certificate of an Authorized Representative. Any amounts remaining in a Costs of Issuance Fund six months following the date of issuance of the Bonds with respect thereto either (i) shall be transferred to the corresponding Construction Fund and applied as provided in Section 3.03 or (ii) shall be applied for such other lawful purposes determined by the District as are approved in an Opinion of Bond Counsel to the effect that such action shall not, in and of itself, adversely affect the tax-exempt status of interest on the Bonds.

(B) The Treasurer shall keep a record of all payments from each Costs of Issuance Fund, which record shall state: (i) the item number of such payment; (ii) the name and address of the person to whom each such payment is due, which may be the District in the case of reimbursement for costs theretofore paid by the District; and (iii) the purpose by general classification for which each obligation to be paid was incurred.

SECTION 3.03 Establishment and Application of Construction Funds.

(A) The District shall establish, and the Treasurer shall maintain and hold in trust, one or more separate funds which shall be designated as the “Water Revenue and Refunding Bonds 2024 Series \_\_\_\_\_ Construction Fund” (inserting the designation for each Series or multiple Series of Bonds, as applicable), and shall bear such additional designation as shall be determined by an Authorized Representative. The moneys in each Construction Fund shall be used and withdrawn by the Treasurer to pay Construction Costs. All investment earnings on funds held in each Construction Fund shall be credited to such fund unless otherwise specified in a Certificate of an Authorized Representative.

(B) The Treasurer shall keep a record of all payments from each Construction Fund, which record shall state: (i) the item number of such payment; (ii) the name and address of the person to whom each such payment is due, which may be the District in the case of reimbursement for costs theretofore paid by the District; and (iii) the purpose by general classification for which each obligation to be paid was incurred.

SECTION 3.04 Establishment, Pledge, Funding and Application of Reserve Funds.

(A) In connection with the issuance of each Series of Bonds pursuant to this Twenty-Sixth Supplemental Resolution, the District may establish and, if established, the Treasurer shall maintain and hold in trust a separate fund for such Series designated as the “Water Revenue and Refunding Bonds 2024 Series \_\_\_\_\_ Reserve Fund” (inserting the designation for each Series or multiple Series of Bonds, as applicable) and shall bear such additional designation as shall be determined by an Authorized Representative. Each Reserve Fund shall be funded as set forth in Section 3.01 hereof and applied as set forth in this Section 3.04. All amounts held by the Treasurer in a Reserve Fund established with respect to a Series of Bonds shall be pledged to secure the payment of the principal and Final Compounded Amount of, and interest on, such Series of Bonds in accordance with their terms.

(B) The District shall at all times maintain an amount equal to the applicable Bond Reserve Requirement in a Reserve Fund established with respect to a Series of Bonds until such Series is discharged in accordance with the provisions of Article IX of the Master Resolution. The amount of the Bond Reserve Requirement applicable to a designated Series of Bonds shall be set forth in the Sales Documents for such Series of Bonds. In the event of any deficiency in a Reserve Fund, the Treasurer shall replenish such deficiency in accordance with the provisions of Section 5.07 of the Master Resolution.

(C) All amounts in a Reserve Fund established with respect to a Series of Bonds shall be used and withdrawn by the Treasurer, as hereinafter provided, solely for the purpose of (i) paying principal and Final Compounded Amount of, and interest on, such Series of Bonds in the

event moneys in the Bond Service Fund are insufficient, or (ii) for the payment of the final principal and Final Compounded Amount and interest payment on such Series of Bonds. Any amounts in a Reserve Fund established with respect to a Series of Bonds in excess of the Bond Reserve Requirement for such Series shall be transferred to the Bond Service Fund for such Series unless otherwise specified in a Certificate of an Authorized Representative.

All Authorized Investments credited to a Reserve Fund shall be valued as of June 30 of each year (or the next preceding or succeeding Business Day, as determined by the District, if such day is not a Business Day) at their fair market value determined to the extent practical by reference to the closing bid price thereof published in The Wall Street Journal or any other financial publication or quotation service selected by the Treasurer at his or her discretion.

(D) Notwithstanding anything herein to the contrary, at the option of the District, amounts required to be held in a Reserve Fund may be substituted, in whole or in part, by the deposit with the Fiscal Agent of a Reserve Fund Credit Policy in a stated amount equal to the amounts so substituted, provided that prior to the substitution of such Reserve Fund Credit Policy the Rating Agencies shall have been notified of such proposed substitution and the substitution shall not result in a downgrading or withdrawal of any rating of such Series of Bonds then in effect by the Rating Agencies. Any such substituted moneys shall be applied as provided in a Certificate of an Authorized Representative.

So long as a Reserve Fund Credit Policy shall be in force and effect with respect to such Series of Bonds, any deposits required to be made with respect to the applicable Reserve Fund pursuant to Section 5.07 of the Master Resolution shall include any amounts due to the provider of such Reserve Fund Credit Policy resulting from a draw on such Reserve Fund Credit Policy (which amounts shall constitute a “deficiency” or “withdrawal” from the applicable Reserve Fund within the meaning of Section 5.07 of the Master Resolution). Any such amounts shall be paid to the provider of such Reserve Fund Credit Policy as provided in such Reserve Fund Credit Policy or any related agreement.

SECTION 3.05 Establishment and Application of Excess Earnings Funds. To ensure proper compliance with the tax covenants contained in Section 3.06 hereof, the District shall establish when required and, if established, the Treasurer shall maintain, a fund for each Series of Bonds issued hereunder the interest on which is intended to be excluded from gross income for federal income tax purposes, which fund, if any, shall be separate from any other fund or account established and maintained hereunder or under the Master Resolution. The fund, if any, shall be designated as the “Water Revenue and Refunding Bonds 2024 Series \_\_\_\_\_ Excess Earnings Fund” (inserting the designation for each Series or multiple Series of Bonds, as applicable), and shall bear such additional designation as shall be determined by an Authorized Representative. All money at any time deposited in the Excess Earnings Fund with respect to a Series of Bonds in accordance with the provisions of the Tax Certificate applicable to such Series shall be held by the Treasurer for the account of the District in trust for payment to the federal government of the United States of America, and neither the District nor the Owner of any bonds of such Series of Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in any such Excess Earnings Fund shall be governed by this Twenty-Sixth Supplemental Resolution and by the applicable Tax Certificate. The Treasurer shall invest all amounts held in any such Excess Earnings Fund in accordance with the applicable Tax Certificate. Money shall

not be transferred from the Excess Earnings Fund established for a Series of Bonds except in accordance with the Tax Certificate with respect to such Series.

SECTION 3.06 Tax Covenants. In order to maintain the exclusion from gross income of the interest on each Series of Bonds issued hereunder the interest on which is intended to be excluded from gross income for federal income tax purposes, the District covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code and the District agrees to comply with the covenants contained in, and the instructions given pursuant to, each Tax Certificate which by this reference is incorporated herein, as a source of guidance for compliance with such provisions.

Notwithstanding any other provisions of the Master Resolution or this Twenty-Sixth Supplemental Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the foregoing covenant, no Person other than the Owners of the Bonds shall be entitled to exercise any right or remedy provided to the Owners under the Master Resolution or this Twenty-Sixth Supplemental Resolution on the basis of the District's failure to observe, or refusal to comply with, such covenant.

SECTION 3.07 Establishment and Application of Additional Funds. In addition to the funds established pursuant to the Master Resolution and this Twenty-Sixth Supplemental Resolution, there shall be established and maintained such additional funds and/or accounts as shall be set forth in the Trust Agreement, if any, including funds with respect to the purchase and remarketing of Variable Rate Bonds, with respect to the payments to be made by the District under any interest rate swap agreement or agreements entered into by the District, and for such other purposes as the District or the Fiscal Agent deem necessary or desirable.

#### ARTICLE IV

In addition, with respect to a Series of Variable Rate Bonds, if any, an Authorized Representative may appoint a Paying Agent, which shall have such duties as shall be set forth in the respective Trust Agreement.

#### ARTICLE V

##### SALE OF BONDS; APPROVAL OF SALES DOCUMENTS, TRUST AGREEMENTS AND OTHER DOCUMENTS

The Chair of the Board, or in the event of a vacancy, the Acting Chair of the Board, the Chair of the Finance and Asset Management Committee of the Board (or in the event the Finance and Asset Management Committee is renamed, dissolved, or reorganized, such other committee of the Board which shall have substantially all of the duties of the Finance and Asset Management Committee prior to such renaming, dissolution, or reorganization), or in the event of a vacancy, the Vice Chair or Acting Chair of the Finance and Asset Management Committee of the Board (or in the event the Finance

SECTION 5.02 Approval of Sales Documents, Trust Agreements and Other Documents. The Ad Hoc Committee is authorized and directed to determine on behalf of the District the aggregate principal amount, terms and conditions of each Series of Bonds, and the terms and conditions of the sale of each Series of Bonds at either a private sale or a competitive sale to one or more purchasers. The Ad Hoc Committee is hereby empowered to establish on behalf of the District such aggregate principal amount, terms and conditions of each Series of Bonds, and the terms and conditions of the sale of each Series of Bonds to the Underwriters, as the members of the Ad Hoc Committee shall agree upon in their sole discretion as being in the best interests of the District, subject only to the provisions of the Act and of this Twenty-Sixth Supplemental Resolution, and shall be so empowered solely to implement the fundamental policies established by this Twenty-Sixth Supplemental Resolution in a manner that is most advantageous to the District, and, if required, to deem the preliminary official statement relating to each Series of Bonds as being final within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended.

Such aggregate principal amount, terms and conditions of each Series of Bonds and the terms and conditions of their sale shall be set forth in the Sales Documents with respect to such Series of Bonds and, with respect to Variable Rate Bonds of a Series, if any, in the respective Trust Agreement. Such terms and conditions as so set forth, together with the other terms and conditions of each Series of Bonds set forth in this Twenty-Sixth Supplemental Resolution, shall, upon execution and delivery of the Sales Documents with respect to such Series and, if any, the Trust Agreement, by the Ad Hoc Committee, or its designee, on behalf of the District, be all the terms and conditions of each Series of Bonds, as if all such terms and conditions were fully set forth in this Twenty-Sixth Supplemental Resolution. The Ad Hoc Committee is hereby further empowered to deliver one or more refunding or escrow instructions in connection with any Series of Bonds that is issued, in whole or in part, to refund outstanding Parity Obligations, and such other documents, amendment and agreements as the Ad Hoc Committee shall determine to be necessary or advisable to the issuance of a Series of Bonds.

The provisions of the Sales Documents, and Trust Agreement, if any, pertaining to the terms of each Series of Bonds are hereby incorporated by reference into this Twenty-Sixth Supplemental Resolution with the same force and effect as if set forth herein.

In connection with the sale of Bonds, the Ad Hoc Committee or its designee is further hereby authorized to approve on behalf of the District, one or more credit enhancement instruments (such as municipal bond insurance), all upon such terms and conditions as the Ad Hoc Committee shall determine to be in the best interests of the District.

In connection with the sale of Bonds that are Variable Rate Bonds, the Ad Hoc Committee or its designee is further hereby authorized to approve on behalf of the District, one or more

remarketing agreements providing for the remarketing of such Variable Rate Bonds, if necessary, fiscal agent agreements, calculation agent agreements or any other agreement in connection with such Variable Rate Bonds and one or more liquidity or credit agreements, standby bond purchase agreements and/or similar agreements providing liquidity or credit support for remarketing the Variable Rate Bonds, if applicable, and one or more agreements providing for reimbursement of draws under such liquidity or credit support instrument, all upon such terms and conditions as the Ad Hoc Committee shall determine to be in the best interests of the District.

The Board hereby finds and determines that the interests of the District and the public interest and necessity require that the provisions of Section 225 and of Section 226 of the Act be waived.

The Ad Hoc Committee shall file a certificate concerning its actions pursuant to this Twenty-Sixth Supplemental Resolution with the District. The Controller of the District shall maintain true and correct copies of the final Sales Documents and any Trust Agreement for each Series of Bonds in the files of the District.

SECTION 5.03 Further Action. The Chair of the Board, the General Manager, and the Assistant General Manager/Chief Financial Officer of the District shall be and each of them is hereby authorized, empowered and directed to execute such other documents and agreements in addition to those enumerated herein and take such other actions as they deem necessary or advisable in order to carry out and perform the purposes of this Twenty-Sixth Supplemental Resolution.
