

Resolution for Adopting Metropolitan's Hazard Mitigation Plan

RESOLUTION 9394

**RESOLUTION OF THE BOARD OF DIRECTORS OF
THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA
ADOPTING THE HAZARD MITIGATION PLAN, DATED MAY 2026**

WHEREAS The Metropolitan Water District of Southern California (Metropolitan) recognizes the threat that natural hazards pose to people and property within Metropolitan; and

WHEREAS Metropolitan has prepared a multi-hazard mitigation plan, hereby known as the Hazard Mitigation Plan, dated May 2026, in accordance with federal laws, including the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended; the National Flood Insurance Act of 1968, as amended; and the National Dam Safety Program Act, as amended; and

WHEREAS the Hazard Mitigation Plan, dated May 2026, identifies mitigation goals and actions to reduce or eliminate long-term risk to people and property in Metropolitan from the impacts of future hazards and disasters; and

WHEREAS adoption by the Board of Directors of Metropolitan demonstrates its commitment to hazard mitigation and achieving the goals outlined in the Hazard Mitigation Plan, dated May 2026.

NOW THEREFORE, BE IT RESOLVED that the Board of Directors of Metropolitan adopts the Hazard Mitigation Plan, dated May 2026. While content related to Metropolitan may require revisions to meet the plan approval requirements, changes occurring after adoption will not require Metropolitan to re-adopt any further iterations of the plan. Subsequent substantive plan updates following the approval period for this plan will require separate adoption resolutions.

I HEREBY CERTIFY that the foregoing is a full, true, and correct copy of a resolution adopted by the Board of Directors of The Metropolitan Water District of Southern California, at its meeting held on June 9, 2026.

Secretary of the Board of Directors
of The Metropolitan Water District
of Southern California
