Subject

Adopt resolution establishing the Ad Valorem tax rate for fiscal year 2025/26; the General Manager has determined that the proposed action is exempt or otherwise not subject to CEQA

Executive Summary

Metropolitan collects ad valorem property taxes from all non-exempt properties within its service area to pay for debt service on its general obligation bonds and to pay a portion of its State Water Contract obligations for participation in the State Water Project (SWP). The property tax collection pays for voter-approved indebtedness and is therefore not subject to the limitations and requirements of Proposition 13, passed by the voters in 1978. Additionally, the proposed property tax collection is not subject to the limitations of Section 124.5 of the Metropolitan Water District Act (MWD Act) because of the Board of Directors' finding on April 12, 2022, that it is essential to Metropolitan's fiscal integrity to collect more than the Section 124.5 limits from fiscal year (FY) 2022/23 through 2025/26 and the proposed resolution covers FY 2025/26.

From FY 2012/13 through FY 2023/24 (eleven years total), Metropolitan maintained a property tax rate of 0.0035 percent, which was the lowest rate Metropolitan has ever assessed. On April 12, 2024, the Board of Directors approved a biennial budget for FYs 2024/25 and 2025/26 (Adopted Budget) that assumed a property tax rate of 0.007 percent is essential to Metropolitan's ability to meet its forecasted expenditures. The information presented to the Board mid-budget cycle in May 2025 and August 2025 shows that the Board's Section 124.5 finding for the current four-year period continues to be applicable. Accordingly, staff proposes the Board fix the ad valorem property tax rate at the assumed 0.007 percent rate in the Adopted Budget to generate approximately \$390 million in revenue during FY 2025/26. **Attachment 1**, Resolution Levying Ad Valorem Property Taxes for the Fiscal Year Commencing July 1, 2025, and Ending June 30, 2026, for the Purposes of The Metropolitan Water District of Southern California (Option 1).

Based on the recently received county tax assessors' reports, the estimated revenue to be collected is approximately \$390 million in FY 2025/26. This is \$56 million more than projected in the Adopted Budget for FY 2025/26. While the amount of property taxes collected by the counties will vary based on local real estate market factors, it is important to note that estimated SWP costs of \$700 million far exceed the estimated tax revenues generated by the levy. Therefore, the additional revenue can be used towards the authorized purposes of paying for the SWP costs. Based on Zillow's Single Family Home Value Index for the six counties in Metropolitan's district, the average home value in the service area is approximately \$892,000, and the MWD ad valorem tax collected would be approximately \$62 for the year.

If the Board does not set the ad valorem property tax rate at least at 0.007 percent, it has the option to adopt the resolution at a different tax rate and direct staff to set a process to revisit the FY 2025/26 portion of the biennial Adopted Budget, as well as the water rates and charges for calendar years (CYs) 2025 and 2026 to make up the lost revenue.

Proposed Action(s)/Recommendation(s) and Options

Staff Recommendation: Option #1

Option #1

- a. Adopt the resolution establishing the Ad Valorem property tax rate for fiscal year 2025/26.

Fiscal Impact: Fiscal year 2025/26 certified assessed valuations within Metropolitan's district, assuming an ad valorem tax rate of 0.007 percent and after certain adjustments, result in meeting the tax revenues of \$390 million projected in the Adopted Budget to pay for GO bonds and SWC expenses and an additional approximately \$56 million over budget. Staff notes that there are several areas of the District that experienced assessed valuation growth above the average 4% assumed in the budget. Moreover, prior year collections and supplemental tax bills, resulting from robust real estate market activity, rose by nearly 20%. Despite these increases in collection, all ad valorem property tax revenues would be used to pay only for Metropolitan GO bonds and SWC expenses, which far exceed the amount of property taxes collected.

Business Analysis: No negative impact to the Adopted Biennial Budget for fiscal year 2025/26 and water rates and charges for calendar years 2025 and 2026, as they were based on a tax rate of 0.007 percent as assumed in the Adopted Budget. The adoption of the resolution maintains voter-authorized revenue sources to pay for the voter-approved purposes.

Option #2

- a. Adopt the resolution establishing the ad valorem property tax rate for fiscal year 2025/26 at a rate to be determined by the Board; and
- b. Direct staff to revisit the biennial budget for fiscal years 2024/25 and 2025/26 and rates and charges for calendar years 2025 and potentially 2026 to make up any loss in assumed property tax revenues, and propose a revised biennial budget, rates, and charges to the Board.

Fiscal Impact: Up to \$380 million loss of fixed revenue (net of approximately \$10 million for unsecured tax revenues based on last year's 0.007 percent ad valorem tax rate), depending upon the ad valorem tax rate the Board adopts.

Business Analysis: If the Board sets an ad valorem property tax rate less than 0.007 percent, it would require revisiting the adopted biennial budget for fiscal years 2024/25 and 2025/26 and water rates and charges for calendar years 2025 and 2026 to make up for lost revenues.

Alternatives Considered

Staff presented alternatives to the proposed 0.007 percent property tax rate during the budget, rates, and charges process from February through April 2024. The alternative tax rate scenarios can be found at <https://www.mwdh2o.com/budget-finance/>. Based on those alternative scenarios, the Board approved budget, rates, and charges that assumed a 0.007 percent AV property tax rate for FY2025/26. Accordingly, if the tax rate is not set at least at 0.007 percent, then the Board should direct staff to revisit the current biennial budget, as well as the rates and charges for CY 2026, to make up the lost revenue. Staff would then present a revised biennial budget, rates, and charges to the Board.

Summary of Outreach Completed

On February 24, 2022, Metropolitan provided notice to the Legislature of the Board's hearing regarding its review of the applicability of Section 124.5 for FYs 2022/23 through 2025/26, in accordance with the requirements of Section 124.5. Thereafter, from February through April 2022, the Board held a series of workshops relating to the budget, rates, and charges proposals that supported the need for the collection of property tax revenues in excess of the limits set forth in Section 124.5. On March 8, 2022, the Board held a public hearing specifically for the public to provide its comments on the proposed Section 124.5 determination, as well as the proposed budget, rates, and charges that supported the determination. Public notice for each of the hearings was published in major newspapers of general circulation. In 2024, the Board again held a series of workshops and public hearings regarding the budget, rates, and charges for another biennial period. Additionally, CFO staff participated in meetings of the member agencies to present and answer questions regarding the budget, rates, and charges, which assumed a 0.007 percent AV property tax rate. Details and Background

Background

Every year, Metropolitan receives the certified assessed valuation from the county auditors for the six counties where Metropolitan provides water service to its member agencies. All county auditors have until the 15th day of August to provide the certified assessed valuation to Metropolitan, which is why Metropolitan's Board adjourns its August regular and committee meetings to the third week of the month. This year, Metropolitan received the last of the counties' information on August 15, 2025. On or before the 19th day of August, Metropolitan's Board is required to determine, based on the information received, the

amount of money necessary to be raised by taxation during the fiscal year and fix the ad valorem property tax rates.

Metropolitan has assessed ad valorem property taxes in its service area since its inception. Metropolitan has constitutional and statutory authority, as well as voter authorization, to collect revenues through ad valorem taxes assessed on real property within its service territory. Pursuant to Section 305 of the Metropolitan Water District (MWD) Act, each fiscal year Metropolitan applies the Board-determined tax rate to the certified assessed valuations received from the county auditors for the six counties that include portions of Metropolitan's service area to produce the gross tax levy.

In 1978, years after the voters authorized the State Water Contract (SWC) indebtedness to be paid from ad valorem property taxes, the voters in California passed Proposition 13. Although Proposition 13 limits the collection of ad valorem property taxes and requires an election for approval of new property taxes, it also exempts from its provisions any property taxes collected to pay for voter-approved indebtedness. Metropolitan's ad valorem property tax is exempt from Proposition 13 because the voters approved the SWC indebtedness and the use of property taxes to pay for that indebtedness. *Goodman v. County of Riverside* (1983) 140 Cal.App.3d 900. Metropolitan's general obligation bonds are also voter-approved indebtedness, and therefore, property taxes to pay for Metropolitan's general obligation bonds are exempt from Proposition 13.

In 1984, the Legislature added Section 124.5 to the MWD Act, effective since FY 1990/91. Section 124.5 limits property tax collections to the amount necessary to pay the total annual debt service on Metropolitan's general obligation bonds and a portion of its SWC payment obligation, limited to the preexisting debt service on state general obligation bonds (Burns-Porter bonds) used to finance the construction of SWP facilities for the benefit of Metropolitan. However, Section 124.5 also provides that "the restrictions contained in this section do not apply if Metropolitan's Board of Directors, following a hearing held to consider that issue, finds that a tax in excess of these restrictions is essential to the fiscal integrity of the district." The Section 124.5 limit exceeded Metropolitan's property tax rate for many years. Therefore, no Board determination was necessary. However, the ad valorem property tax rate limit under Section 124.5 has been decreasing, and will continue to decrease, as the bonds are paid off. In the meantime, Metropolitan's SWC obligations have been increasing over the long term and will continue to increase.

The Board made the first Section 124.5 determination in 2012 for FY 2012/13 that it was essential to Metropolitan's fiscal integrity to collect more property tax revenues than the limit in Section 124.5. The Board continued to make the determination upon reviewing Metropolitan's fiscal conditions in the years since. Most recently, on April 12, 2022, the Board found that it is essential to Metropolitan's fiscal integrity to collect property taxes in excess of the Section 124.5 limit for a four-year period running from FY 2022/23 through FY 2025/26. All documents supporting that determination are available at: <https://www.mwdh2o.com/budget-finance/property-tax-rate-for-fy-202021/>. Therefore, the Section 124.5 limit does not apply through FY 2025/26.

Metropolitan's Current Need for Ad Valorem Property Tax Revenues

The factors that have a fiscal impact on Metropolitan have intensified since the Board's adoption of its Section 124.5 determination in April 2022 for the following four-year period. In the 2024 budget, rates, and charges process, staff presented to the Board financial information that initially proposed overall rate increases of 13 percent in calendar year 2025 and 8 percent in calendar year 2026. The Board went through a series of workshops in which it reviewed many potential alternatives to rate increases, while still addressing the significant reduction in water sales, unrestricted reserves, and increasing costs. Fiscal information considered by the Board during that process is available at: <https://www.mwdh2o.com/budget-finance/>. Ultimately, the Board approved an Adopted Budget that incorporated average annual rate increases of 8.5 percent in calendar years 2025 and 2026. A critical component of this Adopted Budget was an assumed increase in the ad valorem tax rate to 0.007 percent. Moreover, the Board assumed a lower assumption of water transactions at 1.34 MAF, which was not realized in the unaudited results for FY 2024/25. Strategic actions approved by the Board to establish a program to "pre-sell" water to be delivered over a five-year period helped offset the negative impact of this lower realized result of traditional water transactions. While Metropolitan's cash position has improved in fiscal year 2024/25, this

improvement only begins to chart the District on a pathway to establish higher reserve levels in the next several years, required to address the increasing volatility attributed to climate change.

Therefore, it remains essential to Metropolitan's fiscal integrity to set an ad valorem property tax rate of at least 0.007 percent to maintain a balanced budget and address the District's ongoing financial sustainability.

Proposed AV Property Tax Rate

This letter recommends setting an ad valorem property tax rate at 0.007 percent for FY 2025/26 to collect approximately \$390 million in property tax revenues, reiterating its finding that it continues to be essential to Metropolitan's fiscal integrity to collect more property tax revenue than the Section 124.5 limit. The Board adopted a budget for FY 2025/26 and has also adopted rates and charges for CYs 2025 and 2026, based on the assumption that the ad valorem property tax rate would be set at 0.007 percent.

The biennial budget projected ad valorem tax revenues of \$334 million in FY 2025/26. Based on the certified assessed valuations recently provided by the six counties in Metropolitan's service area, the estimated ad valorem property tax revenue to be collected in FY 2025/26 is \$390 million. While the amount of property taxes actually collected will vary, it is important to note that estimated SWP costs of approximately \$700 million far exceed the estimated tax revenues generated by the levy.

Alternatives to the Proposed AV Tax Rate

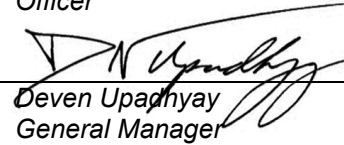

If the tax rate is not set at least at 0.007 percent, then the Board should direct staff to revisit the current biennial budget, as well as the rates and charges for CYs 2025 and 2026, to make up the lost revenue from property taxes. Staff would then present a revised FY 2025/26 budget and applicable rates and charges to the Board.

RESOLUTION _____

A RESOLUTION LEVYING AD VALOREM PROPERTY TAXES FOR THE FISCAL
YEAR COMMENCING JULY 1, 2025 AND ENDING JUNE 30, 2026
FOR THE PURPOSES OF THE METROPOLITAN WATER
DISTRICT OF SOUTHERN CALIFORNIA

The Board of Directors of The Metropolitan Water District of Southern California, after receiving, considering, and evaluating evidence and all material factors pertaining thereto, including budget requirements and estimated revenues from water rates, charges, and ad valorem property tax rates, finds, determines, and resolves:

Section 1.

RECITALS

Board Adopted Water Rates and Charges in effect during Fiscal Year 2025/26

The Board of Directors fixes water rates and charges on a calendar year basis and adopts its biennial budget and ad valorem property taxes on a fiscal year basis. During fiscal year (FY) 2025/26, the applicable rates and charges are those set by the Board for calendar year (CY) 2025 and CY 2026. The Board of Directors, with full review of (1) evidence presented, and (2) all material factors and considerations, has adopted water rates and charges for CYs 2025 and 2026, which, in the debated, informed and considered discretion of the Board, are in compliance with Metropolitan Administrative Code Section 4301 and Section 134 of the Metropolitan Water District Act (the MWD Act), in that the Board, so far as practicable, has fixed such rates and charges as will result in revenue which will pay the District's operating expenses, provide for maintenance and repairs, provide for payment of the purchase price or other charges for property or services or other rights acquired by the District, and provide for the payment of the interest and principal of District bonds, notes and other evidences of indebtedness under the applicable provisions of the Act authorizing debt issuance and retirement, assuming the ad valorem property tax rate for FY 2025/26 at a rate of 0.007 percent. This Resolution establishes the tax rate for FY 2025/26.

Board Finding re Applicability of Ad Valorem Property Tax Limitations Pursuant to the MWD Act for FYs 2022/23 through 2025/26

Section 124.5 of the MWD Act limits property tax collections to the amount necessary to pay the total annual debt service on Metropolitan's general obligation bonds and only a portion of its State Water Contract (SWC) payment obligation, limited to the preexisting debt service on state general obligation bonds (Burns-Porter bonds) used to finance construction of State Water Project (SWP) facilities for the benefit of Metropolitan. However, the limitation of Section 124.5 does not apply if, following a public hearing, the Board of Directors finds that collection of tax revenue in excess of that limitation is essential to the fiscal integrity of the District. The Board held the public hearing pursuant to Section 124.5 of the Act on March 8, 2022 to determine the applicability of the limitation for FYs 2022/23 through 2025/26. On April 12, 2022, the Board adopted Resolution No. 9301, through which the Board:

1. Found and determined that it is essential to Metropolitan's fiscal integrity to collect ad valorem property taxes in excess of the Section 124.5 limitation on ad valorem property taxes in FYs 2022/23 through 2025/26;
2. Resolved and determined that pursuant to its finding, the tax rate restriction in Section 124.5 of the MWD Act is inapplicable when setting the ad valorem property tax rate for FYs 2022/23 through 2025/26; and

3. Waived compliance with Section 4301(b) of Metropolitan's Administrative Code for any tax levy that utilizes the April 2022 finding regarding Section 124.5 of the MWD Act.

FY 2025/26 Ad Valorem Property Tax Levy and Continuing Need for Property Tax Revenues in Excess of Section 124.5 Limit

In its informed discretion, based upon full review of evidence presented and all material factors and considerations, the Board of Directors determines that the District's revenues for FY 2025/26 from water transactions and sources other than ad valorem property taxes, after payment of the District's operation and maintenance expenses, the payment of the purchase price or other charges for property or services or other rights acquired by the District, the operation, maintenance, power, and replacement charges due under the District's state contract, revenue bond service, deposits to the revenue bond reserve fund, short term revenue certificate (commercial paper note) service, net costs of operating equipment, and net inventory costs during the fiscal year, as well as the maintenance of prudent reserves for unforeseen District expenditures or unforeseen reduction in District revenue, will be insufficient to provide for general obligation bond service and to pay the District's contract obligations to the state for sale and delivery of water. Review of its April 12, 2022 determination regarding Section 124.5 of the MWD Act and review of Metropolitan's updated financial conditions as presented during the mid-cycle review of the budget for the current biennial period, establishes that it remains essential to Metropolitan's fiscal integrity to collect more property tax revenues than the limit set by Section 124.5 of the MWD Act. Therefore, the Board levies ad valorem property taxes for FY 2025/26 as provided in this Resolution at sections 4 through 7 and the exhibits attached, sufficient, when taken with other revenues available for the purpose, to meet all the foregoing obligations and financial requirements, in the amounts and rates set forth in this Resolution and the schedules attached and incorporated therein.

Section 3.

ASSESSED VALUATIONS

The county auditors of the counties of Los Angeles, Orange, Riverside, San Bernardino, San Diego and Ventura have certified the assessed valuations of all property taxable by MWD of SC, consistent with the areas described in definitions (4) through (28) of Section 2, for the Fiscal Year and their respective certificates have been filed with the Board of Directors.

Section 3.1

STATEMENT REGARDING ARTICLES XIII A, XIII C AND XIII D OF THE CONSTITUTION OF THE STATE OF CALIFORNIA

None of the property tax levies made by the Board of Directors of MWD of SC in the next succeeding sections fall within Section 1(a) of Article XIII A approved by the electorate on June 6, 1978 for addition to the California Constitution, effective July 1, 1978. All said levies fall under the Section 1(b) exemption to said Section 1(a) and are otherwise exempt from said Section 1(a) by reason of the impairment of contract clause of Article I, Section 10 of the United States Constitution. None of said levies fall within Articles XIII C and XIII D approved by the electorate on November 5, 1996, for addition to the California Constitution, by reason of the aforementioned provisions and exemptions and the provisions of Section 3(a)(1) of Article XIII D. All said levies are made pursuant to Revenue and Taxation Code Section 93(a) and are for the purpose of and shall be used for payment of “voter-approved indebtedness.”

Section 4.

ANNEXATION LEVY

For FY 2025/26, there is no amount remaining to be raised under the Resolutions for annexed properties. Therefore, no annexation levies are shown in the attached schedules.

Section 5.

BOND LEVY

For the purposes of paying the annual interest on the outstanding bonded indebtedness of MWD of SC incurred as a result of approval by the voters residing within MWD of SC and such part of the principal of such bonds as shall become due before the time when money will be available from the next property tax levy, or such portion thereof as shall not be met from previous levies or other revenues of the District:

- a. The amount of money necessary to be raised by ad valorem property taxation during FY 2025/26 is the sum set forth in the last line in Column #1 of Schedule A.
- b. The rate of such taxation of MWD of SC for the FY 2025/26 upon secured taxable property within MWD of SC hereby is fixed and levied at 0.00001% of assessed valuation, as set forth in Column #1 of Schedule B. The rate of such taxation for the FY 2025/26 upon unsecured taxable property is the rate fixed and levied for the preceding year applicable to secured taxable property, as required by operation of law and set forth in Column #2 of Schedule B.
- c. The amounts of money necessary to be derived from said levy are set forth in Column #7 of Schedule B, including the amounts of money to be derived from the area of MWD of SC within each separate member agency.

Section 6.

STATE WATER CONTRACT LEVY

For the purpose of raising funds in excess of those funds raised under Section 5 of this Resolution, necessary and sufficient to provide for payments due or to become due within the current fiscal year or within the following fiscal year before the time when money will be available from the next property tax levy, or such portion thereof as shall not be met from previous levies or other revenues of the District, under the:

“CONTRACT BETWEEN THE STATE OF CALIFORNIA DEPARTMENT OF WATER RESOURCES AND THE METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA FOR A WATER SUPPLY, dated November 4, 1960,” as amended (State Water Contract),

- a. The amount of money necessary to be raised by ad valorem property taxation during FY 2025/26 in excess of the sum raised under Section 5 of this Resolution is the sum set forth in the last line of Column #2 of Schedule A.
- b. The rate of such taxation of MWD of SC for the FY 2025/26 upon secured taxable property within MWD of SC hereby is fixed and levied at 0.00699% of assessed valuation, as set forth in Column #3 of Schedule B. The rate of such taxation for the FY 2025/26 upon the unsecured taxable property is the rate fixed for the preceding year applicable to secured taxable property, as required by operation of law and set forth in Column #4 of Schedule B.
- c. The amounts of money necessary to be derived from said levy are set forth in column #8 of Schedule B, including the amounts of money to be derived from the area of MWD of SC within each separate member agency.

Section 7.

TOTAL AD VALOREM PROPERTY TAX COLLECTION

The total rates of ad valorem property taxation of MWD of SC for FY 2025/26 upon secured taxable property are set forth in Column #5 of Schedule B. The total rates of ad valorem property taxation of MWD of SC for FY 2025/26 upon unsecured taxable property are set forth in Column #6 of Schedule B. The total amounts of money to be derived by virtue of such tax levies for the Fiscal Year are set forth in Column #9 of Schedule B, including the amounts of money to be derived from the area of MWD of SC within each separate member agency.

The Board of Directors hereby finds that it continues to be essential to Metropolitan's fiscal integrity to continue to collect property tax revenues in excess of the limits set forth in Section 124.5 of the MWD Act. On April 12, 2022, the Board of Directors considered all available financial information, testimony from the public, and comments from member agencies, and concluded that it is essential to fiscal integrity for Metropolitan to collect property tax revenue in excess of the Section 124.5 limit in FY 2022/23 through FY 2025/26. After considering the proposed property tax rate for FY 2025/26, the fourth year of the Board's Section 124.5 determination, the Board finds that it continues to be essential to Metropolitan's fiscal integrity to collect more property tax revenue than the limits of Section 124.5.

Section 8.

REDEVELOPMENT AGENCIES

Pursuant to Assembly Bill X1 26 ("ABX1 26"), chaptered and effective on June 27, 2011, and as modified in part by the California Supreme Court in the decision of *California Redevelopment Association v. Matosantos*, Case No. S194681, redevelopment agencies in California were dissolved. Such dissolution laws were modified in part by Assembly Bill 1484 ("AB 1484"), chaptered and effective on June 27, 2012, and Senate Bill 107 ("SB 107"), chaptered and effective on September 22, 2015.

The total rates of taxation of MWD of SC for the Fiscal Year set forth in Column #5 of Schedule B are the rates of taxation upon taxable property taxable by MWD of SC within the areas shown in said Schedule, including taxable property formerly within redevelopment agencies as well as all other property so taxable by MWD of SC. The total amounts of money shown in Column #9 of Schedule B to be derived from some of said areas by virtue of tax levies of MWD of SC include monies to be allocated to the successor agencies of former redevelopment agencies for the payment of enforceable obligations and allowable administrative expenses approved by the State Department of Finance and local successor agency oversight boards, as well as amounts of money to be allocated to MWD of SC. The estimated adjustment to be made to account for the difference between the total amount levied and the amount to be derived is included in the provision for estimated collection delinquencies shown in Schedule A.

Section 9.
