### **Subject**

---

Emergency Management Program Update

### **Executive Summary**

---

This item provides a regular update on the status of Metropolitan's Emergency Management Program, which covers districtwide emergency response, recovery, planning, and outreach efforts. It is an informational presentation with no action items.

### **Details and Background**

---

This presentation will focus on the following:

- An update of lessons learned from recent significant events, including the 2025 Eaton and Palisades Fires, and the 2025 civil unrest.
- Development of Metropolitan's Emergency Management Team.
- Development and deployment of mobile command vehicles.
- Implementation of new technologies to improve preparedness, response, and recovery.
- Collaboration with emergency partners.
