EEO Officers Report for August 2026

Monthly EEO Complaint Data

As part of the EEO Office's ongoing commitment to transparency in the EEO process, the following complaint data for July 2026 is included in this report. Since July 1, 2026, the EEO Office has received two complaints, as of the running of this report.

EEO Concurrence Process

To assist with addressing employee concerns regarding promotional opportunities at Metropolitan, the EEO Office participated as neutral observers on 11 interview panels in July. EEO's role on interview panels ensures there is consistency across the recruitment and selection process and that no irrelevant factors outside of a candidate's knowledge, skills and abilities influence interview scores. EEO's participation as an observer in select recruitments may also help reduce the perception of bias, and allows employee concerns to be addressed at an early stage to reduce the risk of future EEO complaints.

Mandatory EEO Training Compliance

Per Metropolitan's EEO policies, all Metropolitan employees and Board Directors are required to complete sexual harassment prevention training. The training is aimed at increasing the understanding of, and preventing, workplace sexual harassment and other types of harassment, discrimination, and retaliation based on EEO-protected characteristics, and abusive conduct.

Compliance statistics for July: Supervisor/Manager (91.7 percent compliance rate); Non-Manager (97.5 percent compliance rate); and Board of Directors (100 percent compliance rate).

While every Metropolitan employee and Board Director is responsible for ensuring they remain in compliance with their respective training requirements, EEO staff will continue monitoring compliance records and issuing reminder compliance notices to individuals whose training requirement has elapsed, in order to seek a 100 percent compliance rate.

Professional Development

EEO staff continue to complete trainings to support professional development in order to continue providing excellent work and abiding by industry best practices. Some trainings completed this month include, but are not limited to: *Conducting Investigations in High Conflict Work Environments*; *Advanced Reasonable Accommodations in Employment*; *Ask Me Anything: Pay Equity and Transparency*, *Hiring Practices, Promotions, and Use of AI in the Workplace*; *U.S. Employment Law Update: What Every Employer Needs to Know*; *AWI Workplace Investigations Interviewing Workshop*; *Implicit Bias: Turning Awareness into Action*; *Under the Microscope: How the EEOC Inspects Workplace Investigations*; And *California Civil Rights Department: State Leave Laws and FMLA*.
