WHEREAS, the Brown Act, Government Code Section 54953(e), makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code Section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code Section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code Section 8558; and

WHEREAS, a proclamation is made when there is an actual incident, threat of disaster, or extreme peril to the safety of persons and property within the jurisdictions that are within the Metropolitan's boundaries, caused by natural, technological, or human-caused disasters; and

WHEREAS, state or local officials continue to impose or recommend measures to promote social distancing, including County of Los Angeles Department of Public Health Order issued December 31, 2021, providing guidance for indoor masking and implementation of policies and practices that support physical distancing where possible; and
