# Real Property Group's Student Outreach Event

March 11, 2022 | 12:00 - 1:30 PM

## About the Event

Join The Metropolitan Water District of Southern California (Metropolitan) for its annual outreach event. We have invited an engaging panel of industry experts to shed light on their own career paths, how they reached the positions they are in today, and how they work with Real Property Group. This virtual event will feature an overview of Metropolitan, a panel discussion and Q&A with industry experts, Real Property Group's paid internship program, a breakout session with an HR representative, and trivia games and giveaways.

**About Metropolitan:**

The Metropolitan Water District of Southern California is a non-association corporation of 28 member agencies - seven of which are water agencies - that serve 19 million people and conserve 1.6 million acres directly watered from the Colorado River and Southern California's sophisticated local supplies and help to maintain healthy increased water conservation, recycling, storage and other advanced management programs.

**BE INFORMED.  
BE INVOLVED.**

# Meet our Industry Experts

Our speakers come from a variety of groups at Metropolitan, including Real Property, External Affairs, Substructures, Engineering, and Geodetics. Join us to hear about their career paths, how they reached the positions they are in today, and how they work with Real Property Group. Lilly Shraibati, Real Property Group Manager, will provide an introduction and overview of Metropolitan and Real Property functions.
