

Small Group Questions:

The Nature of the Problem

- **For your agency, what issues or vulnerabilities are top of mind as we kick off the retreat?** For example:
 - Water supply
 - Resource planning and need to integrate with financial, climate and social lenses
 - Regulatory pressures
 - Think water supply/conveyance and related economic, environmental, and social vulnerabilities.
- What is the **greatest opportunity you see in**

2-Minute Report Back

The Nature of the Problem

- What challenges or vulnerabilities **were widely held?**
- What was **unique to particular jurisdictions?**

Small Group Questions:

Major Problems & Gaps, Opportunities

- What has come up during the presentations that is **particularly relevant for your agency?**
- What challenges are you facing that you **haven't heard much about today?**
- What do you see as the **greatest opportunities for your agency and for the district** as a whole under new normal of a changing climate?
