OPERATING POLICIES

O.P. NUMBER	TITLE	ISSUE DATE	REVISION DATE
I-02	Use of Computer Resources	12/12/96	05/12/23

SUMMARY

This document establishes policies for the proper and ethical use of Metropolitan's computer resources, including electronic mail (email) and electronic messaging systems, as well as the use of internet capabilities provided by Metropolitan.

A copy of this policy is provided to all employees and users.

SUPERSESSION

This operating policy supersedes Operating Policy I-02, dated December 12, 1996, revised July 2, 1998, December 19, 2005, and December 2, 2011.

AUTHORITY

The General Manager delegates the authority to implement and maintain operating policies, practices, and procedures relating to Metropolitan computer resources usage to the Information Technology (IT) Group Manager.
