Executive Summary

Pursuant to the California Code of Regulations, Section 570.5, Metropolitan's Board of Directors is required to approve an annual salary schedule, meeting specific requirements as outlined in the Code.

Details

Background

Pursuant to the CalPERS regulations, California Code of Regulations, Section 570.5, employee salaries must be delineated in a salary schedule that meets the following requirements:

1. Approved and adopted by the employer's governing body according to the requirements of applicable public laws.
2. Identifies the position title for every employee position.
3. Shows pay rate for each identified position, which may be stated as a single amount or amounts within a range.
4. Indicates the time base.
5. Is posted at the office of the employer or immediately accessible and available for public review from the employer during normal business hours or posted on the employer's internet website.
6. Indicates an effective date and date of any revisions.
7. Is retained by the employer and available for public inspection for not less than five years.
8. Does not reference another document in lieu of disclosing the pay rate.

To comply with the requirements, The Metropolitan Water District of Southern California's salary schedules for the following dates are attached for the Board's approval.

Effective date:

- June 27, 2021 (**Attachment 1**)
- June 26, 2022 (**Attachment 2**)

The approval of these salary schedules will ensure Metropolitan's compliance with the California Code, the negotiated Memoranda of Understanding (MOUs), and Administrative Codes. This will also ensure employees' retirement calculations will be based on the appropriate rate of pay.

10/11/2022 Board Meeting

7-13

Subject

Adopt a resolution designating Metropolitan's maximum contribution for medical benefits for retired employees to comply with the current authorized Memoranda of Understanding; the General Manager has determined that the proposed action is exempt or otherwise not subject to CEQA

Executive Summary

Metropolitan is required to set the employer contribution for medical benefits, as necessary, on an annual basis under the Public Employees' Medical and Hospital Care Act. CalPERS requires that resolutions be approved by the Board of Directors in order to reflect any changes as required to comply with current Memoranda of Understandings (MOUs). At the September 2022 Organization, Personnel and Technology (OP&T) Committee, a resolution was approved in compliance with CalPERS regulations. Once that resolution was submitted to CalPERS, Human Resources was informed that a second resolution is required to ensure that all retirees receive the same maximum employer contributions as active employees. This board action approves a second resolution for retiree medical contributions in compliance with negotiated MOUs. In the future, if resolutions are required, two will be created simultaneously.

Timing and Urgency

A second resolution must be received by CalPERS no later than October 28, 2022, to be effective January 1, 2023 to ensure all retirees receive the same maximum employer contribution as active employees.

Details

Background

In order to comply with our current MOUs, CalPERS requires Metropolitan to evaluate the following year's medical premiums and to select a specific plan in a specific geographic region upon which to base its maximum employer contributions. Whenever the selected plan and geographic region changes, Metropolitan is required to submit board-approved resolutions to CalPERS 60 days prior to any change being implemented. Effective January 1, 2020, Metropolitan complied with the new MOU agreements by selecting Anthem HMO Traditional, Region 2, Basic rate which was the highest HMO plan of CalPERS' two geographic regions. Effective January 1, 2023, to comply with the current MOU language, the highest HMO plan will be Anthem HMO Traditional, Region 3, Basic rate. A resolution was approved at the September 2022 OP&T Committee that complies with CalPERS regulations for active employees. Human Resources was informed that a second resolution must be adopted, which reflects this new plan effective January 1, 2023, to ensure retirees covered under the 10/20 vesting schedule originally implemented January 1, 2012, receive the same maximum employer contribution as active employees. Policy

Current authorized Memoranda of Understanding between Metropolitan and the Employees Association/AFSCME Local 1902, MAPA/AFSCME 1001, Supervisors Association and the Association of Confidential Employees Metropolitan Water District Administrative Code Section 6522: Medical Insurance.

Metropolitan Water District Administrative Code Section 11104: Delegation of Responsibilities

California Environmental Quality Act (CEQA)

CEQA determination for Option #1:

The proposed action is not defined as a project under CEQA (Public Resources Code Section 21065, State CEQA Guidelines Section 15378) because the proposed action involves continuing administrative activities, such as general policy and procedure making, and will not cause either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment (Section 15378(b)(2) of the State CEQA Guidelines). In addition, the proposed action is not defined as a project under CEQA because it involves the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment (Section 15378(b)(4) of the State CEQA Guidelines).

CEQA determination for Option #2:

None required

Board Options

Option #1

Adopt a resolution designating Metropolitan's maximum contribution for medical benefits for retirees to comply with the current authorized Memoranda of Understandings and align to active employees and retirees under Government Code 22892(a).

Fiscal Impact: The current budget for FY 22/23 and FY 23/24 includes estimated costs, and the fiscal impact will be absorbed in the current and future budgets.

Business Analysis: A revised resolution is required based on the current authorized Memoranda of Understandings and to provide benefits to Metropolitan retirees.

Option #2

Do not adopt a resolution to align Metropolitan's health benefit premium contribution for retirees under Government Code Section 22893(a)(1) to be equivalent to active employees and retirees under Government Code Section 22892(a).

Fiscal Impact: Unknown

Business Analysis: This option would require a renegotiation of the current MOU's and may result in an unfair labor practice for not complying with the existing MOU.

Resolution to Update Medical Insurance Contributions for Retired Employees

Item 7-13

October 11, 2022

Purpose

- Board Approval of Resolution to Establish Medical Plan Contributions for Retired Employees, Plan Year 2023

Background

- CalPERS adopts medical rates based on geographic regions throughout California and out of state.
- MWD must base its maximum contribution on one specific plan *in one region* to comply with CalPERS and MOU requirements.
- Board must approve new Resolutions whenever the maximum contribution or region changes.

Background

- In September, Board adopted Resolution designating *Anthem Traditional HMO Plan, Region 3*, effective January 1, 2023.
- This Resolution applied to Active Employees, and employees retired on or before December 31, 2011.
- CalPERS now requires **2nd Resolution**, to cover medical contributions for employees **retired on or after January 1, 2012**.

Why a 2nd Resolution?

- Metropolitan adopted the “*10/20 medical vesting schedule*” effective 1/1/2012 for all newly hired employees.
- 10/20 medical vesting helped control OPEB costs.
- However, separate resolution is now needed annually so that these employees receive the same maximum medical contribution.

Board Options

Option #1

- Adopt a resolution designating Metropolitan's maximum contribution for medical benefits for retirees to comply with the current authorized Memoranda of Understandings and align to active employees and retirees under Government Code 22892(a).

Option #2

Do not adopt a resolution to align Metropolitan's health benefit premium contribution for retirees under Government Code Section 22893(a)(1) to be equivalent to active employees and retirees under Government Code Section 22892(a).
