Title: Update on the current status of Colorado River Negotiations

[Conference with legal counsel – anticipated litigation; based on existing facts and circumstances, including that requiring significant water use reductions in relation to the Supplemental Environmental Impact Statement for the 2007 Guidelines could lead to litigation among the United States and one or more Colorado River water users; there is a significant exposure to litigation against Metropolitan: unknown number of potential cases; to be heard in closed session pursuant to Gov. Code Section 54956.9(d)(2)].
